Blotato API Key

⚠ Generating an API key ends your free trial immediately and charges your card today. During your free trial, you can access ALL blotato features except the API - this is to prevent spam/abuse of users spamming low-quality content.

🔑 Upgrade & Generate API Key

[API Quickstart](#)

[Automation Templates](#)

🌐 Claude.ai Web

1. Go to **Settings > Connectors > Add Custom Connector**
2. Name: **Blotato**
3. URL: **https://mcp.blotato.com/mcp**
4. Press **Connect** and approve access

💻 Claude Desktop / Claude Cowork

1. Go to **Settings > Connectors > Add Custom Connector**
2. Name: **Blotato**
3. URL: **https://mcp.blotato.com/mcp**
4. Press **Connect** and approve access

> Claude Code (Terminal)

🌐 Other MCP Clients (Terminal, Antigravity, Cursor, Replit Agent, etc.)

🔗 n8n (Workflow Automation)

External API Keys

Elevenlabs

You must provide an API key if you want to use custom voices.
