Welcome to Blotato!

Your brand is set up. Here's what you can do:

Make visuals from templates

Pick a proven template and customize it with your content

Create with AI

Describe your idea and our AI assistant builds the video for you

Schedule your posts

Plan and publish content on a schedule across platforms

Use the API

Integrate Blotato into your own apps and workflows

You can always edit your brand in Settings.

Get started

Learn how to use Blotato API: Blotato...
